

Nominate your Care Provider for Back-Up Care

Did you know that if you currently use a nursery, holiday club or adult care provider that isn't part of our Bright Horizons network, you can nominate them?

Assuming they are happy to be put forward and they pass our credentialing criteria, you'll be able to use that provider to book Back-Up Care.

Locating providers:

To find your nearest provider, simply register online, complete your Care Profile and enter your postcode.

How to nominate your provider:

If your nursery, holiday club or adult care provider isn't listed and they're happy to become part of our network, simply choose one of these options:

- Scan the QR code above
- **Fill out the form** or
- **Email us** and put them forward

Nominate your provider today and start taking advantage of having your usual care provider as a back-up...
